

Learning outside the classroom on Junior Farm

Meet the animals

Available Autumn, Spring and Summer term

Explore our three-acre children's farm with interactive and 'hands on' sessions. Visit our friendly farm animals and learn all about their life on Junior Farm. Finish the day with a small animal cuddle session.

Activities

Early Years Foundation Stage & Key Stage 1

- Interactive feeding talk on a range of farm animals.
- Small animal cuddle session.
- Free time for pupils to feed the farm animals.
- Optional free time: Enjoy indoor soft play or pedal tractors.

Learning objectives

Subject: Science & food education.

Pupils will:

- Identify and name a range of farm animals.
- Find out about different breeds of farm animals.
- Find out about what different farm animals eat and what their care needs are.
- Find out how to handle and care for small animals.
- Learn outside the classroom on a working farm.
- Be actively involved with 'hands on' activities with the opportunities to ask questions to aid learning.
